PRESIDENT'S MESSAGE

Welcome back Rodeo Fans! It has been a long 2 years without having a rodeo for you, but we have been working hard and are geared up and ready to bring you a show to remember!

Our Rodeo would be not possible without the hard work and dedication of many people, and organizations that give of their time so generously to support and help make our rodeo the great event that it is. All year long our directors, active past directors, associates and volunteers are working hard behind the scenes making our rodeo possible.

We are also blessed to have a "sister" organization, The Livermore Rodeo Foundation. President Kathleen Minser and her team do amazing work in our community raising funds to support many wonderful organizations and programs such as our local VFW, the local cancer resource center, and scholarships for local student pursuing an agricultural related field in college.

Our valued and long relationship with City of Livermore has produced a partnership that not only embraces our city's western heritage but has eyes on the future to protect and preserve it. Our city has worked with us to bring to fruition a longtime promised park in downtown Livermore; "Stockmen's Park" to honor our veterans past and present and the families that have been in our valley for generations.

Partnerships are the life blood of any organization. Our partnership with LARPD is amazing and we work together to maintain and upgrade our facility to allow us to host all our wonderful rodeo event!

I have been involved in the Livermore Rodeo for over 30 years, coming up through the ranks as a volunteer, associate director, director, and now President. I was born and raised in Livermore and my family has been ranching and farming in the Livermore valley for over 6 generations. I live and breathe the western heritage daily. Along with my husband Paul and son Armando, we run a cow-calf operation in the Livermore hills east of town. I am blessed to see the wonders of nature every day and will continue to strive to ensure this amazing lifestyle for future generations to come.

I am honored and proud to serve as the first women president of this outstanding organization and I look forward to having your family join our family at the 104th Annual "World's Fastest" Livermore Rodeo.

Sheila Fagliano

In Loving Memory

RALPH LAUGHLIN

Ralph's love of the Livermore community and his love for rodeo were a natural fit. Believing in the original spirit that began the Livermore Rodeo at the end of World War I, he saw it as a way to involve and draw Livermore residents together. He served as Rodeo Association president in 1987 and 1988 and was honored as the Grand Marshal of the Livermore Rodeo Parade in 2005. Born without a nervous bone in his body, Ralph loved to have a microphone in his hand. He enjoyed being the emcee for the rodeo queen competition for many years.

Ralph was, above all, a family man, and he shared his passion for rodeo with his family! He was married to his high school sweetheart, Kathryn McGlinchey Laughlin, for 60 years. They served the Livermore Rodeo together for many years; Kathryn continues to serve as the Vice President of the Livermore Rodeo Foundation. They raised a son, Steve, who blessed Ralph with two granddaughters. As they grew up, the girls embraced Ralph's love of rodeo. Bailey was Miss Livermore Rodeo in 2015 and Morgan in 2019.

RON MUELLER

Ron Mueller (May 1942-Feb 2020) was a long time resident of Livermore. When he first started working for the Livermore Area Recreation and Park District he was supervisor of the youth sports programs. He was a volunteer fireman for the City of Livermore for ten years, chariman of the Native Sons of the Golden West Buck Contest for eleven years and emcee of the contest for 30 years. He was elected into the Tri-Valley Sports Hall of Fame for his participation in football and baseball and for his work with the Tri-Valley youths. He started and dedicated a golf tournament in honor of his late brother Craig that raised money for youth sports in the Tri-Valley and put the tournament on for 10 years. After moving to lone, he became involved with the lone Native Sons and chaired their annual sporting clay shoot for five years.

Ron loved a good rodeo and appreciated the skill of the contestants and the animals. He was very involved in the Livermore Stockmen's Rodeo Association and was on the board of directors for twenty years and continued working at the rodeo until 2017. If Ron could have written his epitaph it would have said "It was a great ride."

JOHN SHIRLEY

Dad was a cowboy at heart. He grew up with a father who was a mule skinner during the gold rush days in Tonopah and Bodie Nev., blacksmith, carpenter and an artist with a pen knife. He settled in Costa Mesa and became a farmer of oranges and chickens. Grandpa even put on a wild west show in Oceanside! Dad told me that his Dad and him would practice for hours cracking a whip. Dad had a 6' show whip and would snap flowers from your hands and cigarettes from your mouth, you get the idea. I think Dads sense of adventure was absorbed from this father!

When we were little kids, he would have us run as fast as we could, starting next to him (the starting gate!) and he would take his whip and gently catch our feet and trip us up ! LOL. Of course we were always on the lawn! We loved to see if we could get away, but he was pretty good!

Dad also told me of a time when he made a call to a ranch and he took my brother Steve with him. Steve played on a tractor while Dad was busy. The next morning the farmer called Dad early, in a panic and asked Dad if he knew where the keys to his tractor were? Dad said he had no idea, but didn't even think to ask Steve. That rancher wasn't too happy with Dad!

Thank you Rodeo Association for honoring Dads' memory. We will all miss such an original and one of a kind cowboy!

TOMMY RICKETTS

The Livermore Community lost Tommy Ricketts, in May of 2020 Tommy was born and raised in Livermore. He took pride in his home town and was heavily involved within the Livermore community. Tommy was a fixture at the Livermore Rodeo, volunteering countless hours for several decades. He was a part of Clampers; he was a member of the Native sons of the Golden West and coached Livermore High School Football for a number of seasons.

Tommy loved the Livermore Rodeo. His cousin, Robin Rasmussen, asked Tommy why he loved rodeo so mush. Tommy replied it gave him the same felling he got as a kid on Christmas morning.

Tommy worked for the parks department of Livermore Area Recreation and Park District for over 30 years. While working for parks he met the love of his life, Ja'Nette. It has been said that Tommy waited 55 years of his life to find her. Tommy enjoyed making people smile, his sense of humor would have you smiling for hours.

To know Tommy, was to love him. Tommy was everyone's John Wayne. He lived by a John Wayne quote: "A Man's Go to Have a Code, A Creed To Live by..."Tommy, our hats are off to you... thank you for brightening our lives. The rodeo won't be the same without you there, but you are a legend, and in our arena Legends live forever!

MATT EUBANKS

Matt Eubanks was born in 1961 in Houston Texas, He was a son of the Republic of Texas, with deep family heritage. Born to well educated parents, Matt tried heading off to college, and quickly decided he had another path to explore. In his early twenties he learned to pipe weld at chemical plants in Pasadena Texas. He moved west in his twenties in search of work as a pipe welder, pipe fitter. Landing in California held jobs as a pipe fitter pipe welder at co generational power plants, and eventually at the Lawrence Livermore Laboratory ,where he worked for 33 years. Over the years Matt held many positions at the lab. He was known later in his career as the subject matter expert for the cryogenic gas storage and, maintenance storage of cryogenics across the lab. He was well respected at the Lab. Matt bought a small ranch in Escalon ca. Where he raised some horses and cattle. He quickly made friends with many in the ranching community.

He found a passion by volunteering at the Livermore Rodeo. Eventually he was elected to the board of directors for the Livermore Rodeo. He helped with any job needed to be done. Matt competed in Cow milking and won "Champion Wild Cow Milked" in 1994 and 1995 with Todd Murray, and Todd Bettencourt (both past directors). Matt met His wife Tamara Walbridge Eubanks over a BBQ pit at the rodeo mixer, they courted and married in 1995 and had Twin sons Blake and Derek Eubanks in 1999. Matt Legacy lasted 28 years with the rodeo, you could say his roots ran deep there too. He was a Active past director in January 2022 when he passed away. Matt & Tamara's sons Blake & Derek plan to continue their dads legacy with scholarships to be given out yearly at the Livermore Rodeo as well as volunteering for the Livermore Rodeo.

BOB HENRY

Bob Henry, 79, was a lifelong Livermore resident, who passed away peacefully at home on February 22, 2021, surrounded by his family.

Bob joined the Livermore Stockmen's Rodeo Association in 1989, was an Associate Director for one year and a Director from 1990 - 1998. He proudly served as President in 1996 and 1997. A special memory for him was being on the Board with his oldest daughter, Mary, who was an Associate Director from 1991 - 1998.

Bob served on numerous committees and was dedicated to his volunteer work. In 1997, a memorable accomplishment was when he and Mary started the VIP Sponsorship Program, with the help of the committee they formed. Bob really enjoyed the heritage, patriotism and excitement of seeing everything come together during Rodeo week.

Bob's involvement in the community extended beyond the Rodeo. He was a Past President of the Native Sons of the Golden West, Parlor #96. He was a proud United States Navy veteran, an active member of the Sea Poacher Association and contributed to a book written by those who served on the SS-406 submarine. He helped organize his Livermore High School Class Reunions and was a member of the Altamont Cruisers, where he proudly showed his 1965 Chevrolet Truck.

Bob loved spending time with his family and was dedicated to his border collie, Lillie. He enjoyed his cabin in Long Barn and tinkering on his many projects. He had fond memories of his involvement and contributions to the success of the Livermore Rodeo and wore his Director's buckle with pride.

MESSAGE FROM THE CITY

Welcome back, everyone! It's wonderful that we can all get together again and enjoy the 104th Annual Livermore Rodeo. This event started out as a way to raise funds for the Red Cross during World War I. Livermore came together then and we have continued to do so through the years. Our community has been especially supportive of each other over the past two years and has certainly displayed the notion that we are stronger together.

Special thanks to the Livermore Stockmen's Rodeo Association for your countless contributions to our community. Looking forward to seeing everyone at the World's Fastest Rodeo!

Bob Woerner Mayor, City of Livermore

ANNOUNCER

A smooth, easy-listening voice, solid knowledge of rodeo and a style that is both entertaining and informative are the mix of elements that make Will Rasmussen one of the Professional Rodeo Cowboys Association's most popular Rodeo Announcers. With more than two decades of experience in the industry and a Wrangler and Ariat endorsee, Rasmussen is a veteran announcer who, since advancing to the PRCA ranks in 1994, has shared his style of announcing with rodeo fans in Montana and across the United States. The Choteau, Montana native's love of rodeo stems from his experience as the oldest child of the "Rodeoing Rasmussens," a family in which just about everyone was involved in the sport of rodeo. His mother is a timer and his father an experienced announcer. One brother is a competitor, while his youngest brother, Flint, is an eight time "PRCA Clown of the Year." Rasmussen says the thrill of announcing rodeos never gets old. "It's a great reward to have thousands of people respond positively to something that's happened and to know you helped that along," he says. Rasmussen's trademark is his enthusiasm for the sport and his ability to involve the entire audience in each of the rodeo events. His commentary is down-to-earth, sprinkled with rodeo facts and trivia that make the show understandable and enjoyable for veteran fans and first-time enthusiasts.

RASMUSSEN

CLOWN & BARRELMAN

Red Bluff's own, Clint Selvester is certainly no stranger to the world of rodeo. You may think he is just another young, fresh, good looking face in the sport, and you would be absolutely correct. Clint is glad to be back here in livermore once again! Very early on in Clint's career as a barrelman, he jumped at the opportunity of a lifetime.

Selvester was asked to fill in for Flint Rasmussen at several Built Ford Tough PBR events including the Georgia Dome, in Atlanta, GA. This amazing experience lit a fire for Clint to work hard at becoming one of the top clowns in rodeo. Since then Selvester has worked the California Circuit Finals, the Rolex World Cup, and even opened for the World Champion San Francisco Giants. Knowing no limits, Selvester has also driven right into the motorsports world by becoming the premiere entertainer "Sprocket" for the Advance Auto Parts Monster-Jam. Clint was also honored to work in the Advance Auto Parts Monster Jam World Finals XIV in Las Vegas, NV.

While entertaining the fans is a huge part of Clint's job, he also takes pride in remaining a true barrelman. Helping both rider and the bullfighters by providing a small island of protection in the middle of the arena, Clint is always willing to take a hit in the barrel to help a friend and excite the crowd. With all of his wild antics and wittiness that won't stop, the only thing to wonder is ... what could possibly be next?

In Loving Memory CLAY FELICITAS

Clay was born on Aug. 24, 1950, in Hollister, California, to Clay and Juanita Felicitas. He died peacefully on April 23, 2022, with family by his side. Livermore was his home for the majority of his life. He graduated from Granada High School in 1969 and followed in his father's footsteps by joining the Navy on Nov. 19, 1969. He served two tours in Vietnam as the lead Boatswains Mate 3rd Class on the USS Long Beach before his honorable discharge on Nov. 19, 1973. He married the love of his life, Mary Armendariz, on Nov. 25, 1972, who was his wife of 49 years.

After leaving the Navy, Clay was employed as a ranch hand taking care of stallions. He was the Community Liaison for the Livermore School District for 18 1/2 years and a Livermore Police Chaplain for 15 years, serving both police officers and families in Livermore during their time of grief. Clay lead the "Cowboy Church" for the Livermore Rodeo for the past 8-years, he loved sharing the word of the Lord with the cowboys and cowgirls. He is survived by his loving wife Mary, son Jacob, daughter Amber (her partner Jose), son Daniel (wife Roni), and five grandchildren: Brennan, Camden, Roman, Deven and Mariana. He also leaves three brothers and their wives, John (Christine Wray), Peter (Mary), Robert (Terry), along with many nephews and nieces.

LYNN STAYSA

Lynn is originally from Pennsylvania and grew up in a large family. She and her family moved to Livermore in 1960. The town was small then, and she was involved in everything from the "Twin Valley Relays" to street dancing during rodeo week.

Besides Lynn's parents and 5 siblings, the true love of her life is her husband Don, who she has been married to for 50 years. She met Don, when her brother and Don were bull riding at Mosby's in San Jose. Don had just returned from Vietnam. Together she and Don have a son Colby, who they couldn't be more proud of. He also blessed her with the perfect grandchildren, Lauren, Adrianna and Alex.

Lynn is a big part of our Livermore Rodeo. She was Associate Director of the year in 2014. She sits on many committees that make all our events possible. She is a ranching woman and devoted to her family, our community, the rodeo and keeping our western heritage alive. In the words of Lynn, "Long Live Cowboys!!!!"

MESSAGE FROM THE LRF

The Livermore Rodeo Foundation (LRF) has been very active since established in late 2008 as a mon-profit 501(c)(3) organization with the goal of giving back to the community and keeping the sport of agriculture, ranching and rodeo alive. The Livermore Stockment and continue to remind people of how it all really began. The determination and hard work of LSRA and LRF has created a unique partnership that is committed to encouraging and helping LSRA and LRF has created a unique partnership that is committed to encouraging and helping lange the sport of rodeo here in the Livermore community. LRF has held an annual Dinner Keep the sport of rodeo here in the Livermore Future Farmers of America, Livermore Guemore Migh School Agriculture Program, Veteran's of Foreign Wars - Livermore Post 7265, LARPD, and Livermore High School Agriculture Program, Veteran's of Foreign Wars - Livermore Post 7265, LARPD, and Livermore High School Agriculture Program.

Valley Care Ryan content between the second and the support we have from the community.

Use are all about family, community, and charity and we choose to develop events that uphold the values We are all about family, community, and charity and we choose to develop events that uphold the values that we believe are shared by you and our supporters. Partnering with LSRA, we are committed to seeing that the community is bettered by our presence. Just as the rodeo grew from a hard-working lifestyle, we want our community to reap the benefits of their hard-working heritage.

As President of the Livermore Rodeo Foundation for the past 14 years, I manage this foundation with Integrity and forethought, and my belief is, success is not measured only by the money we raise, but instilling in others the passion for the preservation of America's Western Heritage, and carrying on the Rodeo tradition to be handed down to the many generations to come.

Because of the efforts of our Rodeo organizations it is my avid hope to benefit local charities; showcase the products and services of our vendors, sponsors and members; and provide economic growth and development to the community by spotlighting them with exposure; and most importantly, to create a lifetime partnership.

I warmly invite you and your family to attend one of our events and judge for yourself!

モル **COWBOYS** AND THE

Let's face it; if professional rodeo athletes are going to risk their lives riding large, uncontrollable farm animals, they are probably going to get hurt. Thank goodness, the Justin Sportsmedicine Team (JST) is always nearby. This group of talented physicians, orthopedists, trauma specilaists, massage therapists and athletic trainers serve these athletes at over 125 Professional Rodeo Cowboys Association (PRCA) rodeos annually.

As a way to support the cowboys who had supported its product, the Justin Boot Company, based in Ft. Worth, Texas, began sponsoring the JST at it's inception over thirty years ago. As the Official Healthcare Provider of the PRCA. the JST treats over 6,500 rodeo related injuries each year.

The Justin Sportsmedicine Team is dedicated to providing the best immediate care to those athletes who are kicked around and roughed up a bit too much. Three 40-foot trailers are hauled to outdoor rodeos to provide comprehensive preventive care and injury treatment. The Team's commitment is to get each rodeo athlete back on ther feet and back into competiton as quickly as is safely possible.

The comfort and reassurance of knowing the Justin Sportsmedicine Team is nearby is a huge advantage for every rodeo cowboy. JUSTINBOOTS.com

The Livermore Rodeo Foundation believes in giving back in our local community, we are very focused on keeping the spirit, heritage, and the tradition of agriculture, ranching, and rodeo alive. As part of our Mission Statement commitment a group of young adults 16-23 years old, who had been volunteering in different capacities over the years at the Livermore Rodeo were officially formed as a group called the SPURS. It represents Students Promoting the Understanding of Rodeo Success. These young adults are focused on fostering a program that helps educate other young adults about the history and traditions of Rodeo. The Junior SPURS are 12-15 years old and work along side the SPURS to help promote the Livermore Rodeo.

SPURS Mission Statement

The SPURS is the next generation of Livermore Rodeo leaders. The group is youth and young adults 16-23 years old, working on projects that educate the community about Rodeo life. Dedicated to volunteering at events and assist at the rodeo grounds in effort to help keep the western lifestyle alive in Livermore.
