LIVERMORE RODEO

VIP SPONSOR PACKET

OUR HERITAGE

The first Livermore Rodeo was held in 1918 in an effort to raise money for the Red Cross during World War I as mandated by the federal government. The town of Livermore was assessed to provide support in the amount of \$1200. To help raise money for the cause, the Livermore Stockmen's Protective Association decided to put on a local rodeo. The event was so successful, the Protective Association decided to establish the Livermore Stockmen's Rodeo Association in 1919 to continue efforts in raising money to help other worthwhile community causes.

Our rodeo is sanctioned by the Professional Rodeo Cowboys Association (PRCA) and is one of the oldest rodeos in the state of California with one of the largest purses for each event attracting well known professional talent in the Rodeo circuit. As a non-profit organization completely operated by volunteers, this event is a self supporting rodeo thanks to the donations of sponsors and the community. The annual Livermore Rodeo is one of the largest community events held in the Tri-Valley area attracting over 30,000 spectators and fans from all over the region each year.

The Livermore Stockmen's Rodeo Association is proud to present the Annual Livermore Rodeo ~ the World's Fastest Rodeo. So dust off your cowboy boots and hats!! The festivities for this exciting event begin Wednesday, through Sunday.
